

The large-volume push waste collector for the use of 60-70-l garbage bags.

The Euro-Pedal waste collector is manufactured from galvanized steel sheets and - for an optimal surface protection - powder coated or of polished stainless steel.

Pic. Euro-Pedal, Art.-No. 1072

The devices are equipped with a comfortable foot pedal, a plastic lid and a clamp bar for the fixation of the garbage bag. Opening vent ca. 350mm
