

VAR INDUSTRY
**COMPACT DOUBLE
 DOOR**

9

The fully closed in- or outdoor waste collector suitable for 120 l garbage bags. The device is manufactured from galvanized steel sheets with a solid bottom and a metal lid.

Available with foot pedal (Art.-No. 1081), only in green.

Due to the processed materials the device is fire-proof.

The double swing doors provide for an easy and uncomplicated change of the garbage bags.

The device is available in eight different colors, with high-quality powder coating (Art.-No.'s please see the back side).

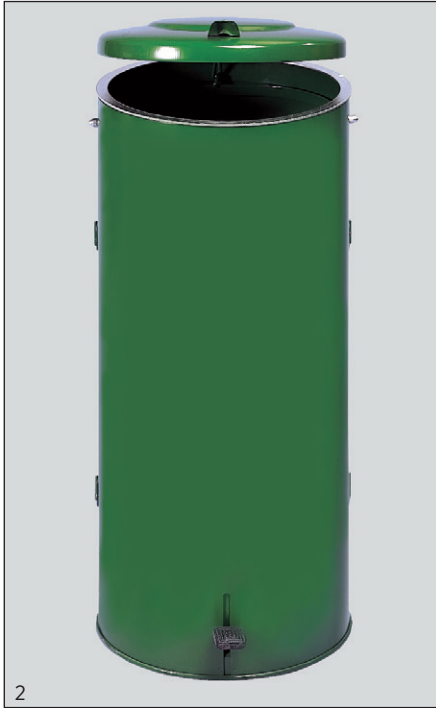

Opening ca. 395mm

Accessories are a moving base (Art.-No. 1156) with five wheels and 120l garbage bags (Art.-No. 1121), VE=250 pcs.
